

The John L. Street Library is offering a summer reading program for the children, teens, and adults of our community to encourage them to read for pleasure during the summer and to retain their reading skills. This year's theme is **FIZZ BOOM READ**(for children), **SPARK A REACTION** (for teens), and **LITERARY ELEMENTS** (for adults). We are planning to discover the wonders of the sciences in many ways and learn some facets of scientific principles along with other fun exploratory activities. We are combining a number of activities that will bring the wonders of science to the children of Trigg County.

To add to the fun and to create a sense of challenge that will keep kids reading, we'd like to offer incentives and contest prizes each week during the summer program. Not only do we offer these programs at the library, we also take our programs to the preschools and daycares throughout the county. We provide the same prizes, incentives, and gifts to these children as well as those that attend the programs at the library. Plans are in the works for a "Mad Science" event for the younger group, a science themed "Minute-to-Win-It" event for the teens, and another for the adults (based on the periodic table for our 'literary elements'). I will present programs at the two nursing homes as well as the assisted living facility and visit the children who attend the activities at the American Legion Pool.

FIZZ! BOOM! READ

SUMMER READING PROGRAM

A CELEBRATION OF SCIENCE

REGISTRATION

JOHN L. STREET LIBRARY

Wednesday, JULY 9th

Wednesday, JULY 16th

*******Thursday, JULY 24th*******

Wednesday, JULY 30th

CHILD'S NAME: _____

AGE: _____ **PHONE:** _____

CIRCLE ONE (or more): Books Read to Me --- Independent Reader --- Read as a Family

Parent's Signature:* _____

Session: 10:30-11:30 OR 12:30-1:30
