

HEY TEENS!

SPARK A REACTION

PLAY...

MINUTE-TO-WIN-IT!

In keeping with the theme of the Summer Reading Program, the John L. Street Library is planning a science themed event for tweens and teens. We will be playing “Minute-To-Win-It” in two person teams using scientific principles (gravity, etc.) to try to win prizes based on the-- *BIG BANG THEORY*-- TV show.

This event will be held in the basement of the library beginning at 6:00pm on Tuesday, July 29th and conclude at approximately 8:00pm.

The **program is free**. Please pre-register for this event so that we may prepare for enough teams.

There will be fun, prizes and food. We’ll be having a lot of fun (and probably trying something you’ve never done before) so you don’t want to miss this event!!

If you have any questions—call Ms. Cheryl at the library at 522-6301.
